

# Lower Key Stage 2 Newsletter Autumn 2

## What am I learning this half term?

What an exciting half term we have ahead! The children will be busy everyday with daily phonics, writing and maths lessons.

In writing, we will be learning to write explanation texts. How do you trap a house goblin? The children will be able to explain this to you!

In maths, our focus is on the four operations. Make sure you use the Frog Play app at home to help support your learning.

In science, we will be learning about light, as a start to this we talked about firework safety.

## PE Dates

4MC and 4GG **Monday**

3GL and 3LP **Wednesday**

Please remember to come to school wearing your PE. Kit

## Early Bird Maths

Arrive in school as soon as you so can so we can do our early morning maths activity together. Bagels are available in classrooms while we learn!

## Rivers and Mountains

## Topic

Our topic this half term is Rivers and Mountains. The children will be learning about how mountains are formed and different types of mountains. We will be investigating what life would be like in a mountain community. As a link to our writing, we will be explain how the water cycle works.

## Reading books

We will be encouraging the children to read every day. Please listen to your children read at home and initial their bookmark. All children that read a home will be awarded with Dojo points.

## Homework

Homework and spellings will be added to the Google Classroom every Friday. Children will have until Wednesday to complete the task. In addition, there are a number of online platforms available for the children to use. Dojo points will be awarded for completed tasks.
