

SPORTS COACH

32.5 hours per week 8.30am - 3.30pm

Term time only + 5 INSET Training Days (39 weeks per year)

Victoria Primary Academy is currently looking for a team player to join our brilliant team.

An exciting opportunity has arisen to join the team. Working under the direction of a PE Leader, you will be a key part of a team who will lead development in PE in our academy, supporting teachers to deliver PE and also developing sporting skills and attitudes through leading quality play during lunchtime. We aspire to excellence in our PE offer and are keen to establish a dynamic, forward-thinking team who understand the value of sport in primary schools. You will work alongside teachers:

- to strengthen the teaching of PE
- to develop extra-curricular opportunities and experiences
- to develop lunchtime provision

If you are someone who has:

- recent and relevant experience of leading PE with young learners
- a thorough understanding of engaging children and eliciting their best
- a determined approach to the achievement of all children and doing 'whatever it takes' to ensure children experience success
- enthusiasm for a role in a school environment which sees pupils at its heart
- a commitment to your own professional development and ambitions for your future
- an appetite for collaboration with colleagues

...then we want to hear from you.

What can we offer?

- Fantastic kids
- A supportive, hardworking, and dedicated team
- A strong and established PE network across four other primaries in the Trust, providing the opportunity to collaborate with schools in Leeds
- A well-developed curriculum, high quality resources and plentiful opportunities for competition for pupils to participate in.

We are looking for a PE Coach who is passionate about their subject, who is keen to be part of a dynamic organisation and who has the confidence to influence and shape PE teaching.

This is your opportunity to author the future of PE at Victoria.

Candidates are strongly urged to visit us to discuss the role and your vision for the subject.
