Message from Mr Green

Happy Friday!

It has been lovely to walk around school and admire the beautiful classrooms and shared spaces that the staff team have created in spite of the building works this week. I appreciate that the disruption caused by the building works is not ideal; however, can I take this opportunity to thank you all for your support and understanding with this.

From my perspective, I've seen 400 children return to Vic this week with big smiles on their faces and happy to be back: I have thoroughly enjoyed catching up with everyone and listening to their stories from the summer break! Within the rooms, the magic is definitely happening, and I have been blown away with the amount of work that has been brought to me this week. The smiles and pride on our children's faces has certainly spread the joy!

Have a great weekend and I'll see you all Monday!

After school clubs

Clubs begin on Monday 18th September please remember to sign up for your child's chosen club using the Arbor App

Reminder
